CIRCULAR

About Merit Prizes to F.Y. B. Tech. and M.C.A. Students

As per the resolution made in the Board of Governors meeting dated 10/03/2023, all the students and staff members are hereby informed to note the following points regarding the award of Merit Prizes given by the Institute to the students studying in F.Y. B. Tech. and M.C.A.:

- 1) This policy document is in addition to the circulars bearing reference no. COEPR/2016-17/102 dated 03/03/2017 and COEPR/2017-18/93 dated 26/03/2018 regarding Merit Prizes to undergraduate Engineering students and M.B.A. students.
- 2) The criteria for merit prizes for M.C.A. students will be similar to those for M.B.A. students as per the Circular no. COEPR/2017-18/93 dated 26/03/2018.
- 3) Details of the merit prizes applicable to students studying in F.Y. B. Tech. based on 12th Science Board examination marks of Physics and Mathematics group (hereafter referred as 'PM Group') are as given below:

Prize No.	PM Group %	Prize Amount in Rs.
1.	PM ≥ 95	20,000/-
2.	90 ≤ PM < 95	15,000/-
3.	85 ≤ PM < 90	10,000/-
4.	80 ≤ PM < 85	7,000/-

- 4) Branch-wise total number of prizes are as follows:
 - Branch with 120 intake: 6 prizes per branch.
 - Branch with 60 intake: 3 prizes per branch.
- 5) If the number of eligible students for getting merit prizes from a particular branch is more than the specified number given in (4) above, then in case of tie, the particular prize amount will be divided equally among the students eligible for that prize.
- 6) This policy will be in force from A.Y. 2022-23 till further order.

All the concerned should take note of the above and act accordingly.
